

## **End of Term Service in Tralee on Wednesday 19<sup>th</sup> June 2019**

The End of Term Service was held in St Johns Church on the 19th June and it was led by the children. It was a lovely occasion of celebration and thanksgiving rich in symbolism and song.

As a parish community we sent them off with thanks and good wishes as they move on to new schools in September.

The service was followed by a graduation ceremony in Teach an tSolais and was followed by refreshments, kindly provided by the parents association.
